

## Author Amy Laundrie Presents

Using visual aids such as an owl call, turtle shell, and snake skin, Amy will share her Follow Me books. Afterwards, she'll involve students in a STEM activity, share nature facts, and encourage students to begin their own stories.

Follow Oliver and Paris into the woods. Paris, afraid of mysterious noises and shadows, is reassured once a friendly chickadee joins their hike.

In **Follow Me into the Night**, Oliver and Paris follow a luna moth at dusk and learn about nocturnal animals.
